

About the Africa Scout Foundation

The Africa Scout Foundation is an international non-profit organization registered under the Kenya Societies Act, Certificate no. 19668 of 11th February 2000. It was established in 1995 to provide Africa Scout Region with financial support needed for the growth and development of Scouting. This was out of the realization that, Scouting in Africa, if well supported financially, will help more young Africans to develop the knowledge, skills and attitudes that will enable them to be responsible, self-reliant citizens and dependable leaders of the future.

Our Vision

Ensuring a Future for Scouting in Africa

Our Mission

The mission of the Africa Scout Foundation is to promote the growth of Scouting and support more young people in Africa to gain knowledge, develop skills and attitudes through quality educational programmes towards creating a better world by continuous accumulation of capital fund.

These funds are raised through donations, grants, membership contributions and other legal methods of fundraising. The Foundation also seeks non-capital donations to support specific Scouting projects.

Our Objectives

To achieve its mission, the foundation pursues the following objectives:

- To contribute to the general budget and sustainability of the World Scout Bureau Africa Support Centre
- To contribute to the strategic goal of making Scouting the world's leading educational youth movement, enabling 100 million young people to be active citizens creating positive change in their communities and in the world based on shared values.
- To win support for the movement in Africa by raising awareness on the role of Scouting in the lives of young people and society as a whole.

What We Do

The Africa Scout Foundation in fulfilling its objectives engages in the following major activities:

- Mobilizing financial resources, material and technical support available in Africa and beyond for the benefit of Scouting
- Developing partnerships and harness individual and corporate support from friends of Scouting in and outside Africa
- Sensitizing the society on the role of the Foundation in supporting growth and development of Scouting in Africa
- Recruiting, properly managing and frequently updating members of the Foundation on its progress.

Cooperation

The Africa Scout Foundation has direct contact and fully cooperates with World Organization of the Scout Movement (WOSM) through the Africa Scout Committee, having a sole objective which is to help develop Scouting in the Africa Region.

It undertakes to allocate all proceeds from income accruing from its endowment to the World Scout Bureau Africa Support Centre; although a small portion may be retained as a safeguard against inflation or devaluation of investments, or, if necessary, to cover the costs of its own operations.

“Our role as Africa Scout Foundation is to raise funds for our region to support the Africa Regional Office, National Scout Organizations and individual Scouts. As Africa is rising and the middle class is growing and poverty is reducing - we have to begin as Africa to support our own Scouting activities.”

Prof. Dr. Maggie Kigozi, Chairperson of the Africa Scout Foundation, Speaking at the Africa Scout Day Celebrations in Arusha, Tanzania on 11 March 2017

"The values of the Scout Movement and let us also not forget the Girl Guides, are what we need for the youth everywhere. I am saying so because they are holistic. They do not deal with just one or another aspect of our living situation. The Scout ethos reaches far into the individual and at the centre of the discipline it inculcates is the desire to sacrifice, to provide for, and to live for other human beings."

H.E Flt. Lt Jerry John Rawlings, Former President of the Republic of Ghana, Speaking at the 16th Africa Scout Conference in Kampala , Uganda in August 2015

Invitation from the Board

The Board of the Africa Scout Foundation invites individual Scouts, Scouts Leaders, Former Scouts and Friends of Scouting in government or in business across the continent of Africa to become members of the Foundation and contribute to its flagship projects.

This invitation is also extended to government agencies, non governmental organizations and private businesses who can join under corporate membership. National Scout Organizations can also join. General donations are also welcomed.

Funds raised from members go towards supporting the growth and development of Scouting in the Africa Region through various projects.

The Foundation has identified two flagship projects which it intends to support. The most urgent project requiring funds is the World Organization of the Scout Movement Africa Regional Office block in Nairobi. The office will be built at Rowallan National Scout Camp where the Government of the Republic of Kenya and Kenya Scouts Association have graciously allocated 2 acres of land.

The Africa Scout Foundation was formed in 1995 to raise and manage funds to support Scouting in Africa. Monies raised so far have been mainly from Scouts and friends from Africa and other continents. This invitation welcomes Scouts and Friends of Scouting in government, business and civil society to join and contribute to training of future leaders of our continent through Scouting's educational programme.

To join the Foundation please complete the registration form attached and return it to the Regional Director/ Secretary to the Africa Scout Foundation Board at africa@scout.org and we will get back to follow up on processing your membership.
